DETAILED ACTION

Response to Amendment

1. Applicants' amendment and remarks, filed November 09, 2005, has been made of record and entered. Claims 1-2 have been canceled. Claim 3 has been amended. Claim 18 has been added.

Claims 3-18 are currently pending and under consideration.

Claim Rejections - 35 USC § 112 (Second Paragraph)

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 3-18 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

A. Regarding claim 3, it ^{is} confusing and unclear as to whether the claimed process requires both the step of "shaping a fabricated woven or knitted fabric in the form of continuous web goods to produce a package" and the step of "cutting segments (S) out of the package and assembling them ..." The way the claim is written requires only one step, which is "cutting segments (S) out of the package and assembling them ..."

B. Claim 18 recites the limitation "segments (S) adjacent to one another in each case at their rectangular faces..." in lines 1-3. There is insufficient antecedent basis for this limitation in the claim.

Response to Applicants' Arguments

4. Applicants' amendment and remarks filed on November 09, 2005 has been reconsidered, but not deemed persuasive in view of the new ground of rejection above.
5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.

Conclusion

6. Claims 3-18 are pending. Claims 3-18 are rejected. No claims are allowed.
